2013  
CHARDONNAY  
OAKVILLE, NAPA VALLEY

Like its predecessors, offers great intensity balanced by firm acid and low pH. The bouquet brings together peach, pear, grilled almonds and a hint of flint (minerality). Palate is both creamy and firm. Not your typical Napa Chardonnay. Instead it is an elegant, well-proportioned wine that should age gracefully over the next few years.

210 cases produced.
