CHARDONNAY

COOMBSVILLE, NAPA VALLEY

**Awarded 90 points by  
Robert Parker, Wine Advocate**

Like its predecessors, offers great intensity balanced by firm acid and low pH. The bouquet brings together peach, pear, grilled almonds and a hint of flint (minerality). Palate is both creamy and firm. Not your typical Napa Chardonnay. Instead it is an elegant, well-proportioned wine that should age gracefully over the next few years.
