

COQUEREL

2021 ROSÉ OF CABERNET

| NAPA VALLEY |

OVERVIEW

Coquerel Family Wine Estates is located just beyond the town of Calistoga at the north end of the Napa Valley. The heart and soul of our winery is our estate vineyard, a gorgeous, oak-studded property that sits in the afternoon shadows of the Mayacamas Mountains. Since 2005, we have done extensive enhancement and replanting of the site to ensure world-class fruit from vintage to vintage. The combination of warm temperatures and deep, clay soils makes this ideal terroir for Sauvignon Blanc, our flagship variety. It also produces exceptional Verdelho, Tempranillo, Petite Sirah, Cabernet Sauvignon and Cabernet Franc. In 2015 we planted 4 acres of Cabernet Sauvignon and Cabernet Franc on our estate. These were planted at a density of 3000 vines/acre using 3309 rootstock and 2 clones 269 and 4. In addition to our estate fruit, we source Cabernet Franc from a premier grower in Napa Valley.

VINTAGE

The vintage 2021 was very challenging with a dry winter and spring with daily wind. The rainfalls were light this year and brought in barely 10 inches. The management of irrigation was thoughtful, starting at bloom in May to grow a substantial canopy. To save water, suckering was done earlier than the previous vintage. Overall, our vineyard yield was similar to that of 2020. Our Cabernet Sauvignon was harvested on October 7th.

WINEMAKING

The fruit for our 2021 Rose came from our estate Walnut Wash Vineyard in Calistoga. Once in the winery, the clusters were de-stemmed and gently pressed to avoid any bitterness. The juice was fermented in stainless steel barrels and aged sur lie with frequent stirring to increase body and texture. Bottling took place in mid February of 2022.

TASTING NOTES

Our 2021 Rose is pure, fresh and delicious. The nose is expressive and powerful with strawberry fragrances. The palate is crisp with a round mid-palate and a long finish of exotic fruit. It will pair perfectly with oysters, fish dishes, Asian food or with a cheese plate.
