## 2022 LE PETIT COQUEREL SAUVIGNON BLANC

————— | NAPA VALLEY | —————

### OVERVIEW

Coquerel Family Wine Estates is located just beyond the town of Calistoga at the north end of the Napa Valley. The heart and soul of our winery is our estate vineyard, a gorgeous, oak-studded property that sits in the afternoon shadows of the Mayacamas Mountains. Since 2005, we have done extensive enhancement and replanting of the site to ensure world-class fruit from vintage to vintage. The combination of warm temperatures and deep, clay soils makes this ideal terroir for Sauvignon Blanc, our flagship variety. It also produces exceptional Verdelho, Tempranillo, Petite Sirah, Cabernet Sauvignon and Cabernet Franc. In 2015 we planted 4 acres of Cabernet Sauvignon and Cabernet Franc on our estate. These were planted at a density of 3000 vines/acre using 3309 rootstock and 2 clones 269 and 4. In addition to our estate fruit, we source Cabernet Franc from a premier grower in Napa Valley.

### VINTAGE

2022 was another dry vintage. Overall, the temperature was moderate until September. We started our Sauvignon Blanc harvest during the third week of August. We were lucky to harvest before a heat wave in early September that blazed Napa Valley. A peak of 108° F was recorded for the first time in Napa Valley.

### WINEMAKING

The fruit for our 2022 Le Petit Sauvignon Blanc came from our estate Walnut Wash Vineyard in Calistoga. Once in the winery, the clusters were de-stemmed and gently pressed to avoid any bitterness. The juice was fermented in stainless steel barrels and aged sur lie with frequent stirring to increase body and texture. Bottling took place at the end of January 2023.

### TASTING NOTES

Our 2022 Le Petit Sauvignon Blanc is pure, fresh, and delicious. The nose is expressive and powerful with of grapefruit, guava fragrances. The palate is crisp with a round mid-palate and a long finish of exotic fruit. It will pair perfectly with white fish like halibut, Asian food, green salads and even a gourmet cheese plate.
